* **YA Movie Club:** Movies shown will either be chosen through a vote held by our YA's or by the staff of the Children's Dept. Most of the movies will be PG-13 and may have a mature themes/strong subject matter. We will try to choose movies based on books or have subject matter that provokes discussion, as this club is not only to just watch movies, but to also engage in conversation. Please call us with questions about this or any of our YA Programs @ 740-432-7536 (Crossroads Branch Library)
